

## *Reception at the City Hall, Monday 19<sup>th</sup> May, 19:00*

The conference reception will take place at Stockholm City Hall, the venue for the Nobel Prize Banquet. The event is held by courtesy of the City of Stockholm and the County Council. A buffet will be served and a guided tour of the building will be offered.

### How to get there?

The easiest way to reach the City Hall is to take the blue line of the metro and exit at the Rådhuset station. There are many exits from the station. You should take the exit called Parmmätargatan or Hantverkargåtan. If you travel from Kista/Akalla, this exit is in the direction of the train. When you exit the metro station you will find yourself in the crossing of Parmmätargatan and Hantverkargåtan streets. Turn left and walk down Hantverkargåtan (west). On your left there should be a small park (graveyard) and Kungsholms church. In front of you, at the end of the Hantverkargåtan street you should see the tower of the City Hall. Just go in that direction for around 500 meters and you will see whole the City Hall.
